

Updated April 6, 2020

To ensure the safety of both our residents and staff, we need personal protective equipment (PPE). But we are running low. Gowns, masks, gloves and goggles are in high demand, yet there is currently a very limited supply. If you are looking for ways to help our residents and staff during this pandemic, please donate PPE supplies to Waunakee Manor. Please contact Mona Onsager at monsager@sunprairiehc.com for more information on donating PPE supplies.

Thank you in advance for your time and consideration
